## **A MESSAGE FROM THE PASTOR**

Happy New Year! Fr. Adrian, Deacon Patrick and the Staff would like to take this opportunity to thank you again for your support, prayers, gifts, cards, treats and baking we received over the Christmas season. We are truly blessed to be a part of a Parish that is supportive to us in so many ways.

As we have entered into this new year, we see that life has not yet returned to normal. Perhaps we thought that with the end of 2020, came the end of the pandemic and the restrictions. But that's not the case. Recently, the term 'new-normal' has become popular. The term of course is in reference to the pandemic and how it will change our lives going forward. But maybe, this term could be used in our own spiritual lives as well. Perhaps the events of the past year could be viewed as a wake-up call from our Lord. Maybe He is asking us to reflect on the way we have been living our lives up to this point. Maybe He's calling us to seek out a 'new-normal' in our spiritual life.

Life is full of challenges and adversity. If we don't have these experiences, we don't grow and we tend to take things for granted. God is always calling us to a life lived in Jesus as our guide and it is not an easy one.

Are we ready to take on that 'new-normal' or are we just ok with going back to our previous ways? If we've learned anything during this pandemic, it is that we are not in control. As Catholics, we believe that our life on earth is a preparation for an Eternal life with God. During the Feast of the Epiphany, we learned that the wise men followed the star of Bethlehem to find Jesus, but after giving their gifts to Him, they were told to go back a different way to avoid King Herod. God is sharing this same message with us today. He is inviting us to go back a different way, to turn away from evil. He is asking us to make the right choices with the help of the Holy Spirit.

We have experienced unprecedented times this past year, but when Jesus was born in that lowly stable over 2000 years ago, those were no doubt unprecedented times as well. Are we willing to trust in the Lord as Mary, Joseph and the Wise Men did? Are we willing to change the direction and discover a new way or a 'new-normal'? A life lived in Jesus is not promised to be an easy one, but it is promised to be rewarding. As we are aware that the theme for this year is service at our Parish, let us challenge ourselves to seek God's purpose for us, by asking the Holy Spirit to come into our hearts and allow Him to work in and through us.

May God continue to bless you and your families in 2021 with peace, joy and love.

Peace,  
Fr. Avi

## PARISH PASTORAL COUNCIL (PPC) UPDATE

Parish Pastoral Council would like to wish you and your families a very Happy New Year. We are looking forward to continue to serve this Parish in 2021. In November 2020, a new executive team was formed. The Chairperson is Rodel Cenabre, Vice-Chair is Nerissa Menezes and the Secretary is Debbie Parsons. In addition, we are pleased and excited to welcome our new PPC members, Connie Raz, Nalini Plesche, Eneyo Eyo, and Fernando Davila.

We are very grateful for the service and commitment of our previous members: Sandra Will-Krile (previous Chairperson), Dianna Gonzales, Andrew Harich, Collins Omondigbe, William Wei, and Keagan Vaz. We sincerely thank them for their dedication to our Parish.

Beginning in September 2020, PPC has been meeting every two weeks to keep up with the Parish events and to be able to support our Pastor with decision making for our Parish. Starting January 2021, we will revert back to monthly meetings.

A couple of projects PPC worked alongside with our Pastor and office staff included:

- Delivering donation envelopes to our Parishioners at home. This helped reduce the costs for our Parish.
- The PPC prepared the Advent Journey in line with the Diocese theme of Pray, Act, Give and Prepare. We also collaborated with Fr. Avi and Fr. Adrian to live stream an Advent Mission with the topic "The New Saints and Service".

The Council is now using Flocknote as the main means of communication among ministries and for the parishioners who would like to receive our Parish newsletter. Although PPC will no longer email the newsletters, we will continue to be the liaison for each community. Please don't hesitate to contact us should you have any questions.

***We began the theme of service this year and we are currently working on activities for 2021. Stay tuned! We look forward to having your support.***

## FINANCE UPDATE

2020 changed our Parish activities, ministry work, and Mass attendance. Changes included limited Mass attendance, Mass streaming on the 'Net, reduced staffing, newsletters instead of bulletins, and switching from weekly envelopes to preauthorized donations. Our ministries are now resuming activities online and we are working to reconnect with Parish families over all social media channels.

In the first week of January, the Parish will commence paying its monthly loan payment for the renovations ("mortgage") and Diocesan Assessment to the Diocese.

Next month, Finance Council will be reporting on our financial activities for 2020 and an update the progress on payments on our mortgage debt, with some good news to report. As well, the office is working to prepare the tax receipts for 2020 donations to go out in February.

It is our plan going forward to provide a monthly graphic of donations and how they were used for operations and debt paydown. This reporting on payments made on our mortgage debt will help everyone understand how our mortgage will be paid out over time, and how we can all help.
